Malik Jay Brown

Date of Warrant: 08/14/2013 Wanted For: Possession of Controlled Substance

On June 28th, 2013 Officer Williamson and Trooper Kirk were on saturation patrol in the City of Williamsport. The officers had contact with MALIK JAY BROWN and during that contact it was found that BROWN had a warrant for his arrest out of Philadelphia. A confirmation was requested by Philadelphia for this warrant.

BROWN was released when Philadelphia failed to confirm the warrant until later in the night. PO Williamson again observed BROWN several hours later and BROWN was taken into custody. A search incident to that arrest recovered a small amount of marijuana on BROWN along with paraphernalia.

BROWN was summonsed on these charges but failed to respond to the paperwork. A warrant of arrest has been issued.
