Loren Cedric Norman

Date of Warrant: 5/07/2013 Wanted: THEFT by UNLAWFAUL TAKING
On 4/18/2013 the victim in this case was at The Finish Line Bar drinking and socializing. He set his vehicle keys down on the bar and was sitting next to a white male, later identified as LOREN (Sid) CEDRIC NORMAN.

Surveillance video from inside the bar shows that when the victim went to the rest room, NORMAN picked up the set of keys, removing the vehicle's ignition key from the ring, and then returned the set to the bar counter top. NORMAN then is seen leaving the bar.

Within a few minutes of NORMAN leaving the bar, the victim returns to his bar stole, and noted that NORMAN was gone. He looks outside and sees that his 2009 Nissan had been stolen. Police are called immediately and officers from Old Lycoming Twp. Police find the vehicle parked and locked in a store parking lot. The vehicle was a block away from where NORMAN lives.

Felony charges for Theft (Motor Vehicle) and related counts were approved by ADA Ken Osolow
